A MAGIC

DAY

COLORING
BOOK

Behold ! The Fountain of Light awaits !

Joy and sunshine just beneath your feet.

As if written for senses still unseen.

Through a glass eye all is reversed.

Yet as simple as A B C.

Within you, beside you and just out of reach.

As it held in the hands of feral beasts.

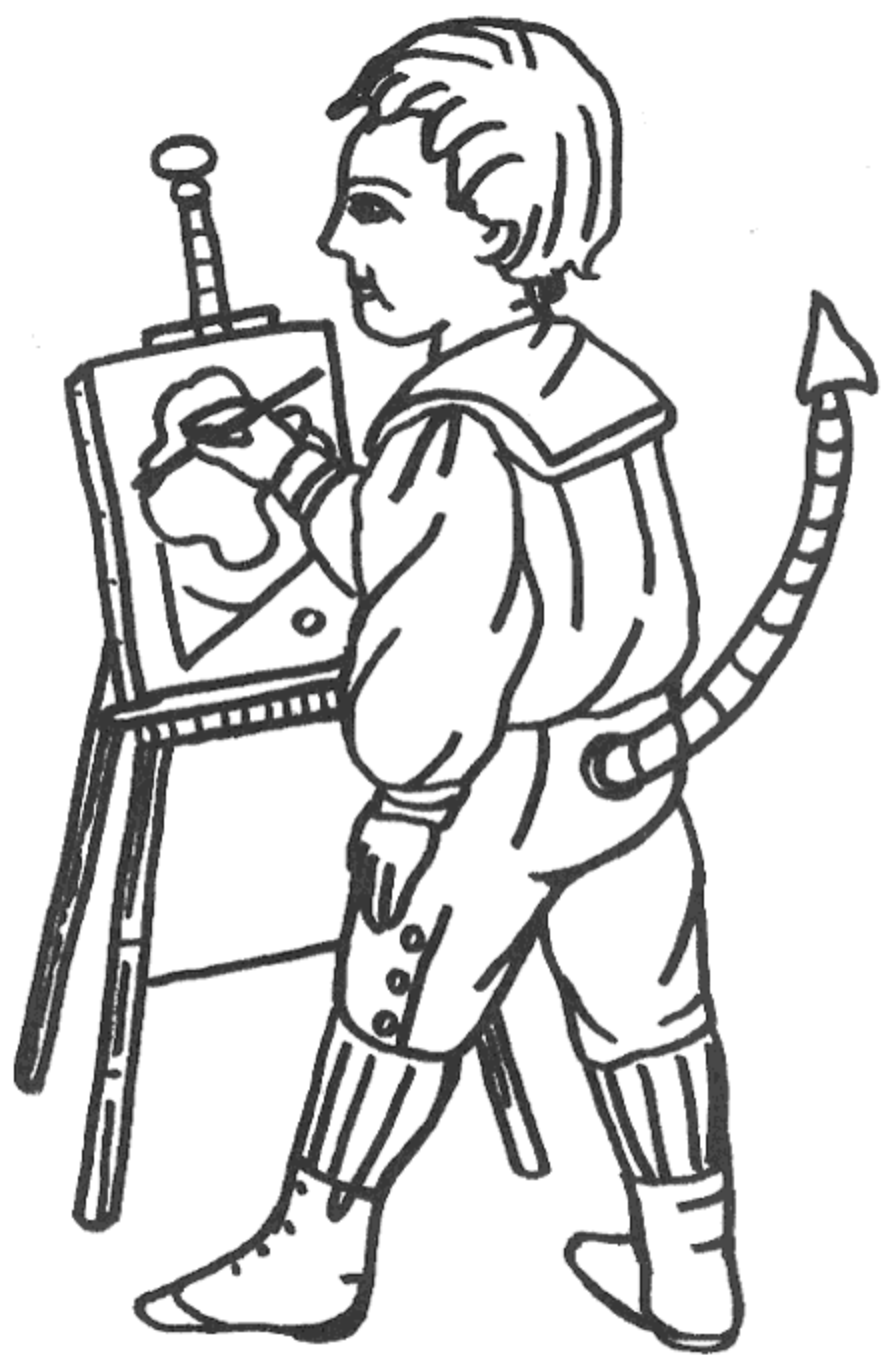

Or carried through space upon
wheeled machines.

Thoughts and notions divide and
combine.

Embrace the beauty of this subtle
change.

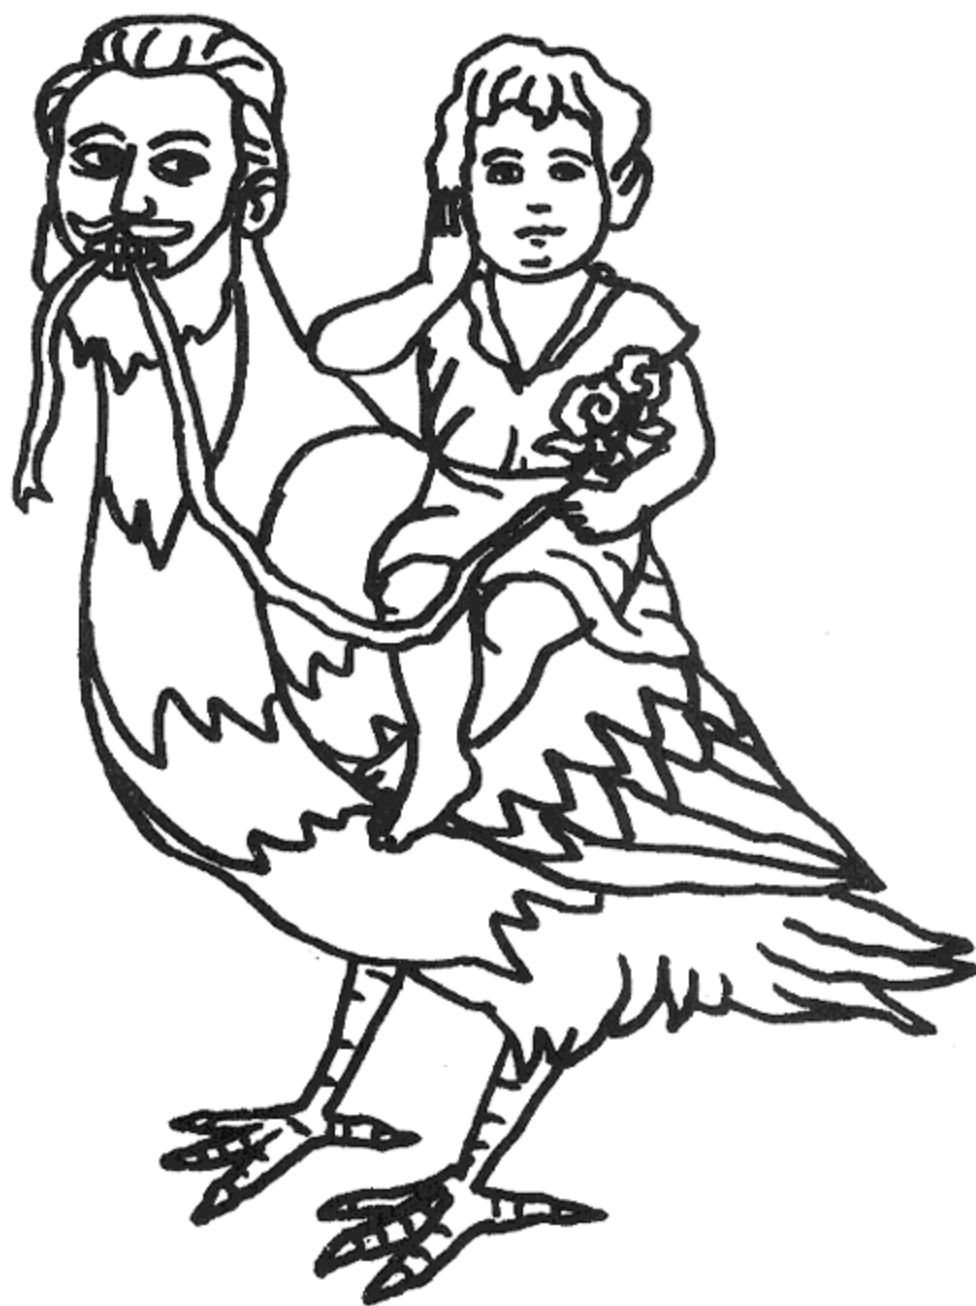

Tales and pictures sprout and grow.

And walk about with you in a golden
dawn

New fingers reach out to fluttering wings.

Flowers fall down from the circling
sky.

Sail to the edge of the white rolling
sea.

Step forward now that you may be seen.

There is nothing left to hold you here.

The whole earth beckons you,"Come
out and play!"

Arise, bright eyes, greet this new
Magic Day!
